MRes Scientific Diving Disclaimer

Dear Applicant

In signing this disclaimer, you agree that you understand that you require all of the pre-requisite qualifications and experience to enrol on the MRes Scientific Diving programme. In addition, if you cannot pass the HSE diving medical before the course programme commences you will be required to withdraw from the course. Lastly, if you fail the HSE SCUBA programme, you will also be required to withdraw from the course. For international students on a Student Visa, withdrawal from the programme will potentially mean your visa may no longer be valid to remain in the UK.
